

# C-SCALE

## FedEarthData Order Request Form

To get access to the FedEarthData service, please submit your order by filling in the form below and sending it to [contact@c-scale.eu](mailto:contact@c-scale.eu).

### Project representative

1. Full name*	
2. E-mail address*	
3. Affiliation*	
4. Position*	

### Additional contact person (optional)

5. Full name	
6. E-mail address	
7. Affiliation	
8. Position	

### Goals and objectives

9. Title of your project*

This project received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No. 101017529.

10. Describe your project and how it relates to the C-SCALE goals. \*

11. What are the scientific objectives of your project? \*

12. What are the computing objectives of your project? \*

**Beneficiaries of your project and expected impact**

13. Characterise the beneficiaries by providing information on the users that will benefit from the envisaged compute setup. Type of users e.g. specific team or broader group, researchers, policy makers etc, organisations, countries, approximate number.\*

### Computing and storage requirements

14. What are the requirements in compute and storage resources for your project? (i.e., number of CPUs, amount of RAM, amount of storage resources) \*

### Data set requirements

15. What are the data sets required for your project? Please visit [EO-MQS](#), search for the data sets of interest and list the links to them below. Example: [Sentinel-1 SAR L1 GRD \(EODC|sentinel1-grd\)](#). If the data sets of interest are not available in EO-MQS, please list below the URLs pointing to the official Copernicus data sets that you require. \*

### Software requirements

16. What are the software applications/platforms required for your project? \*
